

Where to eat in Utrecht?

That's the most frequently asked question during Street Food Tour Utrecht.

As a free service I'll share my top tips for Utrecht:

Watertoren Utrecht	€€€ Very scenic restaurant in an old water tower. Great food, excellent service, stunning views! Make sure you'll reserve way in advance!	wturbankitchen.nl
Le Jardin	€€€ Restaurant, hotel and flowershop. Vegies are the stars of the show at Le Jardin, although the food isn't vegetarian. Very nice atmosphere, fine cuisine and passionate staff!	www.lejardinutrecht.nl
De Zwarte Vosch	€€ Great Spanish tapas and pinchos in a very casual setting. You'll pick your pinchos at the bar while the staff walks around with great bites and drinks. Besides dinner, this place is great for just wine with some bites after a day of shopping or sightseeing!	www.dezwartevosch.nl
Sea Salt Saloon	€€ If you love fish, this is the place to be in Utrecht! Nice informal fish restaurant with nice small dishes to share, friendly staff, located in the middle of the city center.	www.seasaltsaloon.nl
Kimmade	€ Great Vietnamese street food located in a small food joint in the shopping area. Cheap, quick and big flavors!	www.kimmade.nl/street-food
't College	€ Simplicity and quality are the key words for this jazz / blues bar. Nice drinks, cozy environment and professional staff! (only accept cash)	cafehetcollge.nl
The Malt Vault	€€ It's all about Whiskey in this place! You can choose for an impressive selection of more than 150 types of whiskey served by very well informed staff in a 'vintage' kind of environment.	themaltvault.nl
Behind Bars	€€ Very small high end cocktail bar. Great place if you want to enjoy a real special drink before having dinner. Due to the size of the bar, there's limited space!	www.behindbarscocktailbar.com
